

My Chiropractic Visits:

Fee/Prices Breakdown:

- Patient initial exam fee: **\$25.00**

To be charged at first visit only, or if you haven't been seen in at least one year.

- Office Visit fee: **\$55.00**

This office visit includes the manipulation and 2 therapies: Electrical Stimulation and Inter-segmental traction (spinalator). Your insurance co-pay and/or coinsurance might be a lower amount once your deductible has been met. We verify benefits and eligibility and always make you aware of any differences.

- Therapies: **\$15.00 each**

- X-Rays: **\$20-25 each**

X-Rays are at Dr. Hershberger's sole discretion depending on symptoms and their severity. Your insurance may not cover Diagnostic X-Rays so we offer them at a significant discount as well.

What are my estimated costs?

Only charged on first visit or greater than one year:

X-rays: **\$20-25 each**
